1. My child is happy at this school

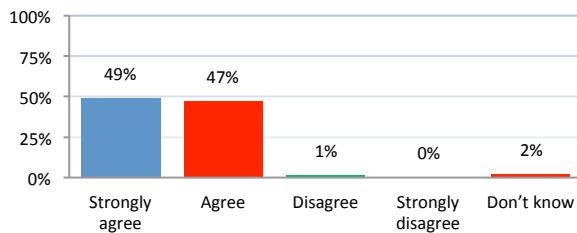

- Our child loves coming to school and has done since he started.

- Both kids love coming to school and always talk positively about it.
- My son always feels happy about coming to school and enjoys telling us what he has done during the day.

2. My child feels safe at this school

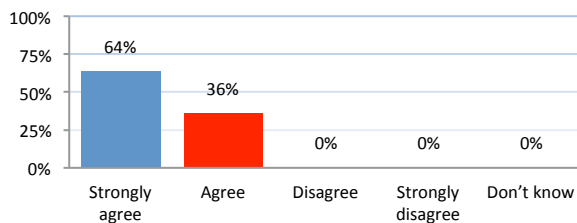

- Both of my boys feel very safe.
- I do not feel that my child is confident that physical issues in the playground are witnessed and responded to appropriately.
- She is not concerned or worried.
- He is comfortable to approach all adults to discuss problems.
- Pastoral care is excellent.

3. My child makes good progress at this school

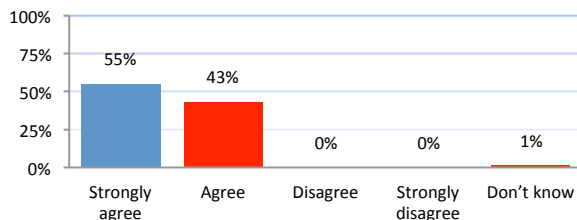

- He is constantly pushed, but not until a concept is embedded and understood.
- Very much so; he is learning so quickly and is excited about everything he has learnt.
- Would have liked more challenging maths in Year 3/4 to extend learning.
- Teachers constantly stretch his understanding and provide interesting challenges.
- I feel he could be more challenged with reading.

4. My child is well looked after at this school

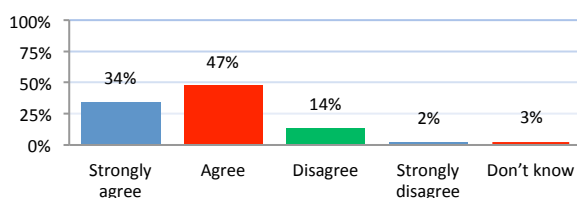

- Great before and after school provision. He feels cared for and important.
- I cannot fault the school at all. Both boys come out of school happy and go into school happy.
- I am happy that all staff look after the children.
- It's very disappointing that as children move into juniors, they lose their afternoon play. This is an important part of their wellbeing.

5. My child is well taught at this school

- Excellent teachers!
- Even following staff changes last year, he continued to develop academically and socially.
- Thank you for all the energy and commitment you share with my children.
- Very happy with current teaching but last year was very disruptive with 3 changes of teachers during the year.
- Could be stretched more.

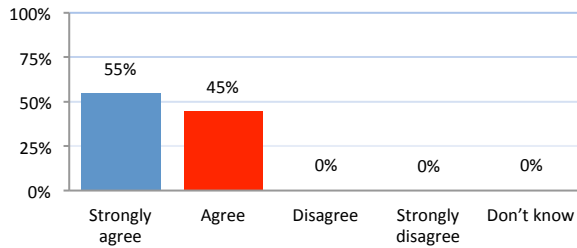

6. My child receives appropriate homework for their age

- It seems like an excessive amount but they both seem to enjoy it and the attitude from staff about it is great.
- Really pleased the compulsory element of the grid has been removed.
- We do not feel homework is beneficial during primary school so we do not make our child do it. We do read most days though.
- I would prefer more formal homework, particularly maths.

- Yes, definitely. My son always mentions how you have to be well behaved for Mr Ryan (he is the boss!).
- I don't feel that reoffending pupils are always addressed.

8. The school deals effectively with bullying

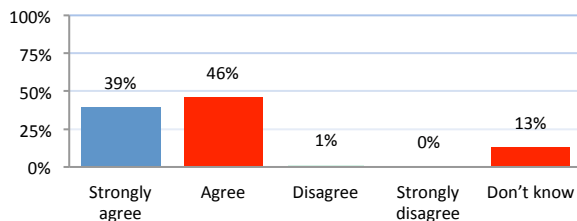

- When my child was bullied last year, it was dealt with promptly, kindly and effectively. Thank you.
- There is a very strong ethos.
- The last instance of bullying which we raised with the school was not dealt with in a satisfactory manner.
- Sometimes I fear that teasing, goading and friendship issues are not recognised as bullying when they should be.
